

# the Clyde's navy

The story of the Clyde's Navy... Discover the history of the Navy on the Clyde in this new interactive and audio-visual exhibition. Learn about the building of warships and discover the world of Royal Navy ships and submarines. Explore behind the scenes at HM Naval Base Clyde to find out about the people who live and work there.

- How has shipbuilding changed in the computer age?
- Who were the real life X-men?
- How do submarines navigate under water?
- Why are some ships made of plastic?
