

Community Summer Clean Ups!

Saturday 4th September

Irvine Waterways

Litter Pick

11am

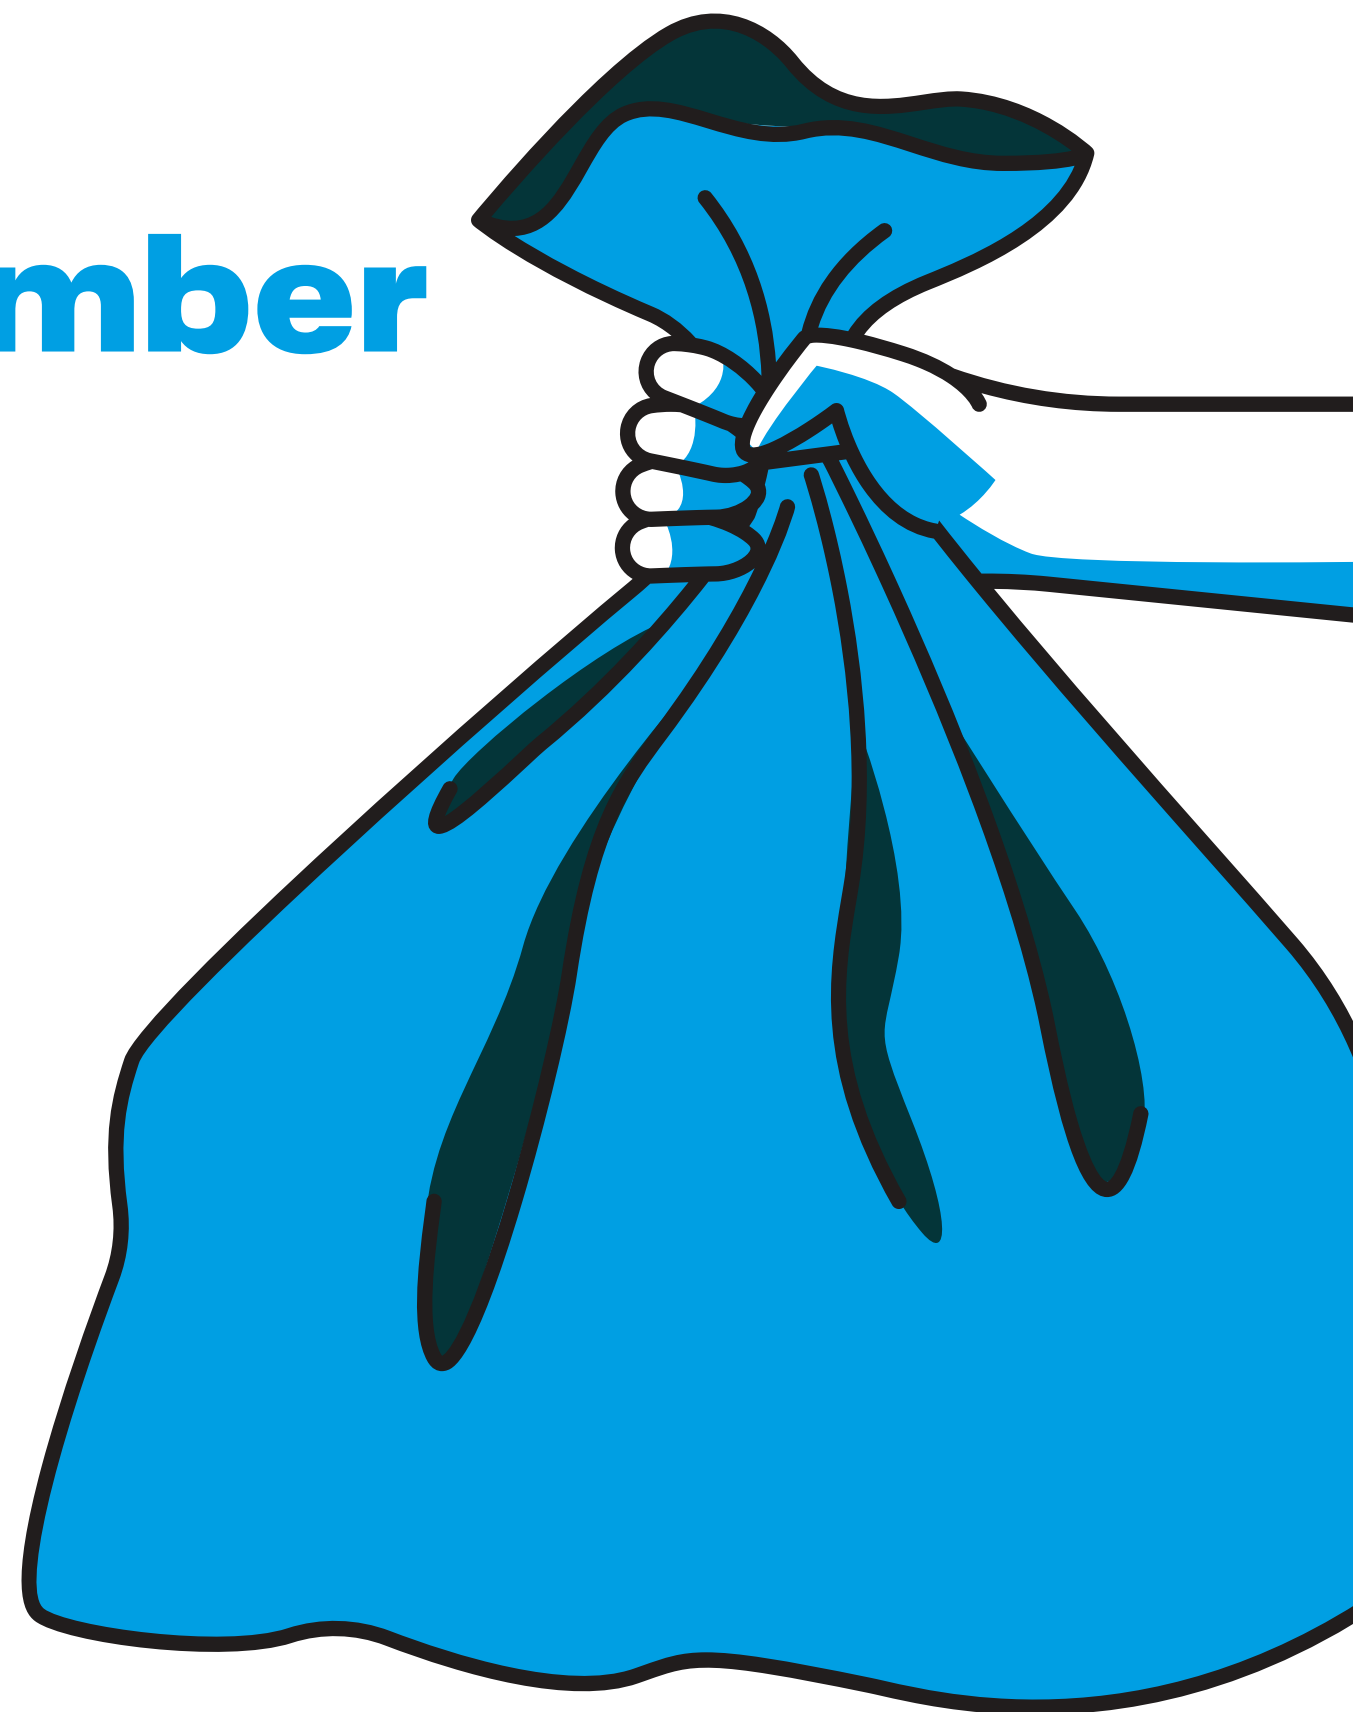

Meeting Point: Outside the
Scottish Maritime Museum
Boatshop/Puffer's Cafe

We will be joined by 'Rubbish Paddlers' and the Irvine Sea Cadets as they take to the water to support the litter pickers on land and the volunteers sorting out recycling outside the Boatshop. Please wear sensible footwear and long trousers as the areas we will be working in are unlevel and overgrown.

This litter pick is not suitable for families with young children but there will be an eco Make and Take Activity at the Museum before the talk for you to enjoy!

**Have Fun, Meet New
People and Make a
Difference!** #YCW2021 #COP26

Rubbish Paddlers Talk

12.30pm

Outside the Museum Education Room we are joined by the Rubbish Paddlers, a community group set up during lockdown to help clean up Ayrshire's waterways.

Those who take part in all or part of this event will receive a family voucher to visit the Scottish Maritime Museum for free!
